

## 2020-Model Orange County Auto Show By The Numbers

- It takes almost a week to set up the auto show but tear down takes less than 48 hours.
- The show covers approximately **14 football fields** of exhibit space.
- Approximately **260 truckloads of display and exhibit space** are unloaded before the show starts.
- The auto show uses enough carpet to install a three-foot wide runner **from the Anaheim Convention Center to Catalina Island**. The carpeting in just the aisles alone could cover **250 average-sized homes**.
- More than **1.25 million pounds** of combined exhibitor freight is moved in for the show.
- About **700 workers** build the auto show in **14,000 hours**, using:
  - **50 miles** of carpet tape
  - **8,000 square feet** of signs
  - **10,000 feet** of extension cords
  - **500 overhead quartz light**
  - **600 electrical outlets** with enough electricity for nearly **500 homes**
